BARGEN

Jim & Nadine,

Bargaen Inc. has appreciated your business over the past year and a half. Your flair for just the right decorating touch speaks to your attention to detail and individuality. Without exception the carpenters and subcontractors have valued the opportunity to work on your house. The added weight gain from the wonderful array of dessert treats has not gone unnoticed. It has been a delight to walk through the building process with you.

Once again we appreciate your business and look forward to possibly working with you on future projects.

With regards,

Randy Strom

'Mid pleasures and palaces though we may roam,
